

Youth is what defines the future of the country and therefore, youth is what we must focus on.

Happy Youth Day, from the team at Clayton House!

We wish all the dads out there a lovely, relaxing and calm day. Your hard work is appreciated!

At Clayton House we are proud of our passionate and loving nursing staff who go the extra mile, and it is visible in the care they give to all our patients. Clayton House works on a well-balanced patient to nursing staff ratio that allows for optimal care.

Clayton House thanks you!
